

The average New York household
TRASHES *more than* 13 LBS
of **ALUMINUM** cans, foil and trays
each year.

.....♻️.....
That **WASTES** *as much* **ENERGY** as
leaving your **TV ON**
for nearly 4 **HOURS** *every day*
WITH NO ONE WATCHING.

.....♻️.....
SAVE ENERGY.
RECYCLE your *clean* aluminum
cans, foil and trays.
