

*The average New York household  
TRASHES more than 13 LBS  
of ALUMINUM cans, foil and trays  
each year.*

.....♻️.....  
That WASTES *as much* ENERGY as  
*leaving* your TV ON  
for nearly 4 HOURS *every day*  
WITH NO ONE WATCHING.

.....♻️.....  
**SAVE ENERGY.**  
**RECYCLE** your *clean* aluminum  
cans, foil and trays.
