GrowNYC Greenmarkets have, since 1976, promoted regional agriculture and ensured a continuing supply of fresh, local produce for all New Yorkers. Greenmarket supports farmers and preserves farmland for the future by providing regional small family farmers with opportunities to sell their fruits, vegetables and other products at our open-air farmers markets throughout New York City.

GrowNYC Farmstands are part of a network of food access retail sites operated by GrowNYC, along with Greenmarkets and Fresh Food Box sites. Through Farmstands, GrowNYC trains and employs young people to sell fresh, affordable food in neighborhoods across NYC. The food sold at Farmstands is grown by farmers in the Northeast and transparently sourced through GrowNYC Wholesale. This vital food access program offers important job opportunities for young New Yorkers, ensures healthy, fresh food access across the city, and provides vital revenue for family farms in the Northeast.

GrowNYC Fresh Food Box sites are part of a network of food access retail sites operated by GrowNYC, along with Greenmarkets and Farmstands. Through Fresh Food Box, customers pay one week in advance for a pre-assembled box of healthy, fresh fruits and vegetables grown primarily by regional farmers and sourced through GrowNYC Wholesale. The program allows customers to take advantage of the cost benefit of buying in a group and enjoy the flexibility of a weekly commitment while supporting farmers.
