Thanksgiving recipes inspired by Native Peoples, cultures and flavors from around the world.
Take Thanksgiving from scratch to the next level by drying herbs at home with these simple steps.

First, decide how you’d like to dry your herbs, oven or air dry. If you’re pressed for time, oven-drying is the fastest and is best for high-moisture herbs like basil, chives, and mint. If you’re using low-moisture herbs like marjoram, oregano, rosemary and dill, air-drying is ideal—just set it and forget it until the big day! If your main concern is flavor, then opt to air-dry as oven-drying will cook the herbs slightly causing some loss in flavor.

For best results, and before starting each method, it’s important to wash and thoroughly dry the herbs. Any moisture on the herbs will cause rotting during the air-dry process and will extend oven-drying times.

**Air Dry Method**

Tie about 10 branches of herbs together with a string or rubber band. Place stem-side up in a paper bag and tie the bag closed. Poke a few holes in the bag for ventilation and hang the bag by the stem side to dry. Depending on the temperature of the room your herbs will be ready for use in one to two weeks.

**Oven-Dry Method**

Preheat your oven to the lowest setting (less than 180° F). Place herbs on a cookie sheet and dry for 2-4 hours, until leaves crumble easily.

Dried herbs can be store in an airtight container for up to one year. For optimal flavor, keep dried herbs whole and crumble when eady to use.

How to Make Chicken Stock

Photo by Greenmarket Staff.

Most of our favorite Thanksgiving recipes incorporate fresh poultry or meat stock for added moisture and flavor. We love this simple stock recipe from Ina Garten’s cookbook, *Make It Ahead*. If you need a good amount of stock, this one will yield 24 cups (6 quarts). Halve or quarter the recipe if you anticipate needing less, or make the whole batch and freeze leftover stock to use later. With the holiday season ahead, you’re bound to need more!

**INGREDIENTS**

3 (5-pound) roasting chickens  
3 large yellow onions, unpeeled and quartered  
6 carrots, unpeeled and halved crosswise  
4 celery stalks with leaves, cut into thirds crosswise  
4 parsnips, unpeeled and halved crosswise  
20 sprigs fresh flat-leaf parsley  
15 sprigs fresh thyme  
20 sprigs fresh dill  
1 head garlic, unpeeled and cut in half crosswise  
2 tablespoons kosher salt  
2 teaspoons whole black peppercorns (not ground)

**INSTRUCTIONS**

1. Place the chickens, onions, carrots, celery, parsnips, parsley, thyme, dill, garlic, salt, and peppercorns in a 16- to 20-quart stockpot. Add 7 quarts of water and bring to a boil.

2. Lower the heat and simmer uncovered for 4 hours, skimming off any foam that comes to the top. Set aside until cool enough to handle.

3. Strain the entire contents of the pot through a colander and discard the solids.
The way we see it, butter makes everything better. Tucked under the skin of a roasting bird, whisked with flour and giblets for the base of a beautiful gravy, or worked into the flaky crust of your favorite pie—no Thanksgiving meal is complete without this dairy staple. The addition of herbs and aromatics to softened butter adds a punch of flavor and a certain je ne sais quoi to your holiday feast. Don’t be afraid to try your own combinations and choose herbs that complements your dish. Here are a few simple variations to elevate your Thanksgiving meal this year.

**Poultry Herb Butter**
Soften ½ cup (1 stick) unsalted butter to room temperature and mix in ½ tsp each of rosemary, thyme, oregano and minced garlic. Season with salt and pepper.

**Lemon Herb Butter**
Soften ½ cup (1 stick) unsalted butter to room temperature and mix in ½ tsp each of lemon zest, thyme, parsley and minced garlic. Season with salt and pepper. For a little heat and an extra kick, add dried chili flakes.

**Chive Butter**
Soften ½ cup (1 stick) unsalted butter to room temperature and mix in 2 tsp chives -or- 1 tsp chopped chives and ½ tsp each of tarragon and dill. Season with salt and pepper.

**Stuffing Herb Butter**
Soften ½ cup (1 stick) unsalted butter to room temperature and mix in 1 tsp each of chopped marjoram and sage. Season with salt and pepper.

Once herb butter is thoroughly mixed, place on plastic wrap and roll into a log. Twist sides so no butter escapes and refrigerate for about 10-15 minutes until hardened. Slice off medallions to baste roasts, toss with vegetables, spread on freshly baked bread, or melted over popcorn for a late-night snack. The possibilities are endless!

Irish Stout Granita with Raw Oysters

Recipe and photo by Marvin Gapultos, SeriousEats.com

INGREDIENTS
¾ cup porter or Irish stout
1/4 teaspoon freshly ground black pepper
1 tsp lemon zest, plus more for garnish
1 medium shallot, finely diced*
1 Tbsp fresh parsley, finely chopped *
One dozen fresh oysters, scrubbed clean*
Malt vinegar, to taste

Serves 4

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS
1. Pour the beer into an 8x8 baking dish, then stir in the black pepper and lemon zest. Place the dish into the freezer.

2. Start checking the dish after 20 minutes. Once the mixture begins freezing around the edges, use a fork to stir the mixture and break up any large pieces of ice. Rake the frozen crystals toward the center of the dish.

3. Return the dish to the freezer and check the mixture every 10 minutes, continuing to scrape and break apart any large chunks of ice and rake them to the center of the dish. Repeat every 10 minutes until you have very fine, almost snow-like, crystals. Because there is so little liquid in this granita, it won’t take long to freeze completely.

4. When ready to serve, shuck oysters. Shake a few dashes of malt vinegar onto each of the shucked oysters, between 1/8 to 1/4 of a teaspoon depending on taste. Spoon some of the granita onto each of the shucked oysters, then garnish each with the additional lemon zest, shallots, and parsley. Serve immediately.
**INGREDIENTS**

2 small rutabagas, peeled and cut into ½” dice*  
5 Tbsp. olive oil  
Salt  
Freshly ground black pepper  
1 onion, finely diced*  
1 clove garlic, minced*  
1 shallot, minced*  
2 Tbsp. currants*  
1 Tbsp. golden raisins  
¼ cup balsamic vinegar  
2 Tbsp. toasted pine nuts  
1 tsp. red pepper flakes  
2 Tbsp. sugar  
1-1 ½ tsp. ground cinnamon  
1/8 tsp. ground nutmeg  
1 Tbsp. grated bittersweet chocolate or cocoa powder  

*Ingredient available seasonally at your neighborhood Greenmarket.

**INSTRUCTIONS**

1. Preheat the oven to 400° F. Line a rimmed baking sheet with aluminum foil.

2. Toss the rutabaga with 2 tablespoons of the oil and salt and pepper to taste. Bake, turning once, for 30 minutes or until the rutabaga is tender but still somewhat firm. Set aside.

3. In a large pan over medium heat, heat the remaining 3 tablespoons of oil. Add the onion and cook, stirring, until it is translucent, about 4 minutes, then add the garlic, shallots, currants and raisins, stirring to mix.

4. Add the balsamic vinegar, scraping the pan to deglaze it and incorporate the addition. Add the roasted rutabaga, pine nuts, red pepper flakes, sugar to taste, cinnamon, nutmeg and chocolate or cocoa powder. Season with salt and pepper to taste. Serve at room temperature with grilled bread brushed with olive oil, if you like.

Salt to taste

To serve (optional): Avocado slices, Lettuce leaves*, Fried eggs*, Chorizo

Makes 12 patties

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS

Make the potatoes:
1. Peel the potatoes and cut them into chunks.
2. Bring a large pot of water to a boil. Add the potatoes and boil until fork tender. Drain and transfer to a large bowl.
3. In a large skillet, drizzle sunflower or avocado oil over medium heat. Add the onions and stir in the achiote. Cook, stirring occasionally, until the onions have
softened, about 5 minutes.

4. Finely mash the potatoes and mix in the softened onions. Season with salt to taste. Cover the bowl with plastic or a towel and allow to rest for an hour.

5. Line a large baking sheet with parchment.

6. Divide the potatoes into 12 equal pieces. Form a piece into a smooth ball, about the size of a golf ball. Lightly flatten and form an indentation in the center. Fill with shredded cheese and gently shape the potato over the top to completely enclose the cheese. Flatten lightly into a disc while still keeping the cheese enclosed. Place on parchment and repeat with remaining potato and cheese. Refrigerate until well chilled, about an hour.

While the potato patties are chilling, prepare the onion and tomato curtido:

1. Peel the red onions and slice in half. Cut each half into very thin slices and place in a medium bowl. Sprinkle the onions with 1 tablespoon salt and toss. Allow to rest for 10 minutes. Fill the bowl with lukewarm water until the onions are covered and allow to rest for another 10 minutes. Drain and thoroughly rinse the onions, then place back in the bowl.

2. Mix in the lime juice and sprinkle lightly with salt. Allow to rest at room temperature until the onions are thoroughly pink.

3. Cut the tomatoes in half and finely slice. Toss in the onions with the olive oil and cilantro. Season with more salt if desired.

Make the salsa de mani:

1. In a medium bowl, whisk together peanut butter and ½ cup of the milk until smooth.

2. In a medium saucepan, heat oil over medium heat. Mix in diced onions, cumin, achiote, and salt. Cook, stirring occasionally, until the onions are softened and translucent. Pour in the peanut butter mixture and stir in remaining ½ cup milk.

3. Bring to a simmer, reduce heat to medium low, and cook, stirring often to prevent the bottom from burning, until thickened, about 10 minutes. Stir in cilantro, minced white onions, hard boiled egg, and aji. Keep warm.

4. Place a dry cast iron skillet or nonstick pan over medium heat. Once thoroughly heated, add a potato patty and cook until golden brown. Very gently flip with a spatula (helps to guide it on the spatula with a spoon) to cook the other side until golden. Repeat with remaining patties. Serve warm topped with salsa de mani, onion and tomato curtido, and various accompaniments.
INGREDIENTS
½ cup extra virgin olive oil, divided
1 pound button mushrooms, cleaned and stems removed
5 garlic cloves, peeled and thinly sliced
1 sprig fresh thyme
¼ cup Spanish sherry
Salt and pepper to taste
1 Tbsp chopped parsley for garnish

Serves 2-4

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS
1. In a large flat pan, drizzle 6 tablespoons of the olive oil over medium heat.
2. Once thoroughly heated, add the mushrooms in a single layer. Allow to cook until browned on the bottom, about 1 minute. Gently shake the pan or use a wooden spoon to flip the mushrooms to the other side. Continue to cook, shaking as needed, until all sides of the mushrooms are browned.
3. Add the remaining 2 tablespoons olive oil if the pan is too dry. Stir in garlic and thyme leaves and cook until just fragrant and lightly golden, about 30 seconds.
4. Mix in the sherry and cook until it mostly evaporates and reduces, about 1 minute. Season with salt and pepper to taste and serve immediately topped with parsley.

4 sprigs thyme*
4 bay leaves*

INSTRUCTIONS

1. Brine the turkey for 8-10 hours in the refrigerator using a brining bag and ingredients listed above for brining. Remove turkey from brine and pat dry with paper towel. Discard brining solution.

INSTRUCTIONS CONTINUED

2. For the marinade: Puree all marinade ingredients in blender, and pour marinade into roasting bag. Add the turkey and turn it in the bag to coat with marinade. Tie the bag, and arrange the turkey with the breast side down in a large heavy roasting pan. Refrigerate this overnight. Take the turkey out of the marinade, stuff the cavity with filling ingredients, and place back into the roasting bag. Let the turkey stand in the bag at room temperature for a couple of hours.

3. Preheat your oven to 400° F. Turn the turkey breast side up, and create steam holes in the roasting bag. Roast turkey for 40 minutes at 400° F.

4. Reduce the heat to 375° F and roast until the thermometer reads 160° F.

5. Be sure to insert thermometer in the thickest part of the thigh. Reduce heat further to 300° F, and cook for 2 hours.

6. Take the turkey out of the oven, and cut the bag open. Be careful about steam and juices as they will be very hot. After removing the bag, put the turkey back in the oven for about 20 minutes at 375° F until the breast is deeply browned.

7. Take the turkey out of the oven and transfer it to a platter. Let it rest for half an hour. While the turkey is resting, strain the juices into a large sauce pan, and spoon the fat from the surface.

8. Simmer this over medium heat, until the sauce is reduced to about 4 cups. This should take about 15 minutes. Set aside.

9. Gravy: In a large heavy-duty sauté pan, melt the butter and sauté the onions until they are lightly browned. Sprinkle in the flour, and cook until browned. Add the cognac and wine, and cook for a couple of minutes. Then add your strained juices from the turkey that you had previously reduced into a sauce and set aside. After a couple of minutes, add the cream and cook through until warm.

Save time by making your spice mix ahead. Freshly ground spice mixtures will last up to one month in the refrigerator.

1. Preheat the oven to 375° F. In a large bowl, toss the butternut squash with the chickpeas, olive oil, curry and cayenne and season with salt and pepper. Spread the squash cubes and chickpeas on a large rimmed baking sheet and roast for 1 hour, or until tender.

2. Meanwhile, in a medium bowl, stir the yogurt with the cilantro and lemon juice and season with salt and pepper.

3. Spoon the roasted butternut squash and chickpeas onto a platter and drizzle with ½ cup of the yogurt sauce. Serve the remaining yogurt sauce on the side.

This cilantro-yogurt sauce pairs wonderfully with the Tandoori Turkey.

1. Preheat the oven to 350° F. Halve the squash and scoop out the seeds, then roast for 40 minutes, or until soft. Remove from the oven, cool, and scoop the flesh of the squash into a large bowl (save any liquids). Puree the cooled squash in a blender or food processor (add a little liquid if needed).

2. In a large stockpot, heat the oil over medium heat and sauté the onions until they begin to brown.

3. Add the garlic, thyme, and black pepper and cook, stirring often, until the garlic turns light brown in color.

4. Add the stock, bay leaf, wine, and squash and bring to a simmer. Add the remaining ingredients and salt, and simmer for 15-20 minutes. Taste and adjust as needed.
INGREDIENTS
4 poblano peppers*
3 tbsp olive oil
1 pound chorizo
1 small onion, diced*
1 pound mushrooms*
3 garlic cloves*
1 tsp salt
1 tsp pepper
1 tsp ground cumin
3 tbsp Sherry Cooking Wine
1 cup cilantro, divided*
1 1/3 cups lard
2 tsp baking powder
1 tsp ground cumin
3 tbsp coriander
1 cup low-sodium chicken broth*
banana leaves
3 1/2 cups masa harina
1 cup cilantro, divided*
3 tbsp cotija cheese
1 cup cilantro, divided*

Serves 6-8

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS

1. Preheat the broiler. Place the poblanos on a baking sheet and broil until blackened on all sides, about 5-7 minutes. Remove from broiler, reduce oven to 375° F and cover poblanos with a towel; set aside to steam, about 3 minutes. Peel off blackened skin, stem and seeds, and dice.

2. In a large nonstick pan, heat oil over medium-high heat, add chorizo and cook until fully cooked, breaking up with a wooden spoon, about 4-6 minutes. Remove from pan and place on a paper towel lined plate to drain. Wipe down pan, return to heat and add olive oil. Add onions, sauté until light and translucent, about 3 minutes then add garlic and mushrooms, salt, pepper and cumin and sauté until golden and cooked through, but still retain their shape. Add the sherry and salt, continue to cook until absorbed. Return chorizo to pan, add diced roasted poblanos and 1/2 cup of cilantro, stir to combine.

3. Combine lard, baking powder and 1 teaspoon salt in a large bowl and mix until combined. Whisk the masa harina, 2 cups hot water and the broth in a separate bowl; add to the lard mixture and mix until smooth, then combine filling mixture with masa mixture. Run banana leaves under warm water until soft and pliable, line a 9x13 pan by crossing one over the other, line the pan in masa mixture. Fold the banana leaves over the filling, tucking them in to seal. Cover with aluminum foil and bake until the filling is set, about 1 hour, 15 minutes, uncovering halfway through. Serve warm garnished with cotija cheese and remaining 1/2 cup cilantro.

1 large red bell pepper*
1 large yellow bell pepper*
½ cup olive oil, plus more for brushing vegetables
1 small eggplant, cut lengthwise into ¼" slices*
1 large zucchini, cut lengthwise into ¼" slices*
1 large yellow squash, cut lengthwise into ¼" slices*
Kosher salt and freshly ground black pepper, to taste
2 lb. fresh spinach*
4 oz. soft goat cheese, softened*
1/3 cup minced basil*
2 tbsp. minced oregano*

1 cup sun-dried tomatoes
2 cloves garlic*
1 cup walnuts
½ cup grated parmesan
2 tbsp. balsamic vinegar

Serves 10-12

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS
1. Position a rack 4" from broiler, and heat to high. Place both peppers on a foil-lined baking sheet, and broil, turning as needed, until charred all over, about 30 minutes. Transfer to a bowl, and cover with plastic wrap; let sit for 20 minutes. Peel, core, and seed peppers; set aside.

2. Heat oven to 450° F. Brush two foil-lined baking sheets with oil. Place eggplant slices on one baking sheet and zucchini and squash slices on second baking sheet; brush with more oil, and season with salt and pepper. Roast vegetables, turning as needed, until tender, about 35–40 minutes; let cool.

3. Bring a 4-qt. saucepan of water to a boil; add spinach, and cook until wilted, about 2 minutes. Drain and squeeze dry with a kitchen towel; set aside.

4. Combine ¼ cup oil, goat cheese, half the basil, oregano, parsley, thyme, and half the chile flakes in a medium bowl; season with salt and pepper, and mix until smooth; set goat cheese mixture aside.
5. Place sun-dried tomatoes and garlic in a bowl, and cover with 2 cups boiling water; let sit for 10 minutes. Drain and transfer to a food processor along with ¼ cup oil, remaining basil and chile flakes, walnuts, Parmesan, and vinegar; season with salt and pepper, puree, and set pesto aside.

6. Line a 9” x 5” loaf pan with plastic wrap, letting at least 4” hang over the edges. Use 2/3 of the spinach to line the 4 sides of the pan. Place eggplant slices on bottom, and then cover with half the pesto; top with zucchini slices and then the goat cheese mixture. Spread peppers over goat cheese mixture, and then top with remaining pesto; top with squash, and then the remaining spinach.

7. Fold excess plastic over top of terrine, and cover with a piece of cardboard cut to fit inside the rim of the pan. Place three 15-oz. cans on top to weigh down terrine, and refrigerate for at least 8 hours or overnight. Unwrap, and invert terrine onto a serving platter; cut into 1"-thick slices to serve.

¼ tsp kosher salt

Serves 8

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS

1. Bring a large pot of water to a boil. Add the green beans and cook, uncovered, until crisp-tender, 3 to 4 minutes. Drain and set aside.

Native American Fry Bread

INGREDIENTS
1 cup all-purpose flour*
1 ½ teaspoons baking powder
¼ teaspoon salt
½ cup milk*
6 to 8 cups vegetable oil (or shortening for deep frying; enough to reach 1-inch depth)

Serves 4

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS
1. In a deep cast iron skillet or heavy saucepan heat about 1 inch of oil to 350° F. If you don’t have a deep-fry thermometer to attach to the pan, dip the handle end of a wooden spoon in the oil. The oil should bubble around it fairly steadily when it’s ready. Another way is the popcorn method. Put a kernel of popcorn in the oil. It will pop when the oil reaches 350° F to 360° F.

2. Meanwhile, combine the flour, baking powder, and salt in a bowl; mix well to blend.

3. Add the milk and stir until the dough holds together. Knead 3 or 4 times on a floured surface.

4. Divide the dough into four uniform pieces and shape each into a ball.

5. Roll each ball of dough into a circle with a lightly floured rolling pin.

6. Carefully slide one or two into the hot oil and fry for about 1 to 2 minutes on each side, or until lightly browned.

7. Remove the fried dough to paper towels to drain.
INGREDIENTS
1 package active dry yeast
1/4 cup water (110° F to 115° F)
1 egg*
1/2 cup honey*
1 Tbsp ground coriander
1/2 Tbsp ground cinnamon
1/4 Tbsp ground cloves
1 1/2 tsp salt
1 cup milk, room temperature*
6 Tbsp unsalted butter, melted*
4 - 4 1/2 cups flour*

Makes 1 loaf

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS
1. Put water in a small bowl and sprinkle the yeast over it; let stand 2-3 minutes and stir to dissolve.

2. Combine the egg, honey, coriander, cinnamon, cloves and salt in a large bowl and mix well with a whisk or spoon. Add yeast, milk and 4 tablespoons of the melted butter and beat until well blended. Stir in the flour gradually, adding only enough to form a soft dough that can be gathered into a soft ball.

3. Knead the dough on a lightly floured surface; if the dough is sticky, lightly butter your hands rather than add more flour. Knead until smooth and elastic, then shape the dough into a ball and place in a large, lightly buttered bowl, cover with a towel or non-stick foil and place in a warm spot until the dough has doubled in size (if you poke it with your finger, it should not "bounce back").

4. Spread the remaining melted butter on the sides and bottom of a 3-quart round baking dish at least 3” deep. Punch down the dough and knead it for 2-3 minutes. Shape the dough into a round and place in the dish, pressing the dough down so it covers the bottom of the container. Return the dough to the warm spot and let it rise until it reaches the top of the pan.

5. Preheat the oven to 350° F. Bake the bread in the middle of the oven 50-60 minutes, or until the top is crusty and golden brown. Turn out of the pan and cool on a rack.
INGREDIENTS

3 Tbsp butter*
¾ cup finely chopped yellow onion (about 1 medium onion)*
¾ cup diced peeled Granny Smith apple (about 1 apple)*
½ cup finely chopped celery (about 1 large stalk)*
1 Tbsp finely chopped fresh sage*
2 tsp finely chopped fresh thyme*
Kosher salt and freshly ground black pepper, to taste

For the batter
2 cups all purpose flour*
½ cup yellow cornmeal*
1 cup buttermilk*
2 large eggs, lightly beaten*
2 Tbsp sugar
2 tsp baking powder
1 tsp baking soda
1 tsp salt
1 quart peanut or vegetable oil
¼ of bacon drippings (optional)*

Serves 8-10

*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS

1. Melt butter in a 12-inch skillet over medium heat. When foaming subsides, add in onions, apple, and celery. Cook, stirring occasionally, until onions, apple, and celery have softened, but not browned, about 7 minutes. Stir in sage and thyme and cook until fragrant, about 30 seconds. Remove from heat and season with salt and pepper to taste.

2. To make the batter: Stir together flour, cornmeal, buttermilk, eggs, sugar, baking powder, baking soda, and salt in a large bowl. Stir in onion and apple mixture.

3. Heat oil to 375° F in a large pot or Dutch oven over high heat. Using a cookie scoop or two spoons, drop heaping tablespoons of batter into oil and fry until golden brown, flipping halfway through cooking, about 5 minutes total. Remove to a paper towel lined plate to drain. Season with additional salt to taste, then serve immediately.
**INGREDIENTS**

- 2 pears, chopped*
- 2 large tomatoes, chopped*
- 1 medium yellow onion, chopped*
- 1 pound mixed chili peppers, chopped*
- 1 cup apple cider vinegar
- 1 cup brown sugar
- 3 tsp ginger powder
- 1 tsp ground mustard
- Salt and pepper to taste
- 2 Tbsp olive oil

*Ingredient available seasonally at your neighborhood Greenmarket.

**INSTRUCTIONS**

1. Heat a large pot to medium heat and add the olive oil with all of the fruit and vegetables. Cook them for about 10 minutes, stirring often, to cook them down.

2. Add remaining ingredients and bring to a bowl. Reduce heat to low and cook about an hour to thicken the chutney.

3. At this point you can process the chutney to smooth it out or keep it as-is – nice and chunky.

4. Alternatively, instead of keeping everything in the pot, you can transfer your mixture to a slow cooker after cooking it all down a bit in the pot and let it cook low and slow, on the low setting, about 3 hours. It will turn into an excellent chutney!

This pepper-pear chutney is a great alternative to traditional cranberry sauce.
INGREDIENTS
2 cups fresh cranberries*
1 small jalapeño, seeded and deveined (reduce or increase based on your spice preference)*
2 green onions, halved*
¼ cup chopped fresh cilantro*
1/3 cup honey*
1 Tbsp. orange zest
Juice of half an orange
Juice of half a lime
½ teaspoon salt
Makes 1 ½ cups
*Ingredient available seasonally at your neighborhood Greenmarket.

INSTRUCTIONS
1. Add all of the ingredients to a food processor and pulse until you your salsa is finely chopped.

Serve this multi-purpose salsa as a condiment for turkey, as an appetizer on crackers with cream cheese, or on any dish that could use a kick!
**INGREDIENTS**

1/4 cup white wine vinegar  
1/2 cup dry white wine*  
3 sprigs tarragon, leaves finely minced, stems reserved separately*  
3 sprigs chervil, leaves finely minced, stems reserved separately (optional; if not using add an extra sprig of tarragon)*  
1 small shallot, roughly chopped*  
1/2 tsp whole black peppercorns  
2 egg yolks*  
Kosher salt  
1 1/2 sticks (12 Tbsp) unsalted butter*  

Makes 1 3/4 cups  

*Ingredient available seasonally at your neighborhood Greenmarket.

**INSTRUCTIONS**

1. Combine vinegar, wine, herb stems, shallots, and black peppercorns in a small saucepan. Bring to a simmer over medium-high heat and lower heat to maintain a gently simmer. Cook until reduced to about 1 1/2 tablespoons of liquid, about 15 minutes. Carefully strain liquid through a fine mesh strainer into a small bowl, pressing on the solids with the back of a spoon to extract as much liquid as possible.

2. Combine vinegar reduction, egg yolk, and a pinch of salt in the bottom of a cup that barely fits the head of an immersion blender. Melt butter in a small saucepan over high heat, swirling constantly, until foaming subsides. Transfer butter to a 1-cup liquid measuring cup.

3. Place head of immersion blender into the bottom of the cup and turn it on. With the blender constantly running, slowly pour hot butter into cup. It should emulsify with the egg yolk and vinegar reduction. Continue pouring until all butter is added. Sauce should be thick and creamy. If it is thin and runny, transfer to a large bowl set over a pot of barely simmering water. Whisk constantly and vigorously until sauce is thickened. Season to taste with salt. Whisk in chopped tarragon and chervil. Serve immediately, or transfer to a small lidded pot and keep in a warm place for up to 1 hour before serving. Béarnaise cannot be cooled and reheated.

**Pumpkin Flan**

Recipe and photo courtesy of *Cooking for Jeffrey* by Ina Garten

**INGREDIENTS**

- ¾ cup sugar
- 1/3 cup pure Grade A maple syrup*  
- ½ teaspoon fleur de sel
- 1 (14 oz) can sweetened condensed milk
- 1 (12 oz) can evaporated milk
- 1 cup pumpkin puree*
- ½ cup (4 oz) Italian mascarpone
- 4 extra-large eggs*  
- 1 tsp pure vanilla extract  
- ½ tsp pure maple extract
- 2 tsp grated orange zest (2 oranges)
- 1 ½ tsp ground cinnamon
- ½ tsp ground nutmeg

*Serves 6-8

*Ingredient available seasonally at your neighborhood Greenmarket.

**INSTRUCTIONS**

1. **Make the caramel:** Combine sugar, maple syrup, and 1/3 cup water in a small, heavy-bottomed saucepan. Bring to a boil, swirling the pan to dissolve the sugar. Cook at a low boil without stirring for 5-10 minutes, until the mixture turns a golden brown and registers 230°F degrees. Off the heat, swirl in the fleur de sel, and immediately pour into an 8×2-inch round cake pan. Set aside to cool for 30 minutes.

2. Place the condensed milk, evaporated milk, pumpkin puree, and mascarpone in a bowl and beat with a mixer on medium-low speed until smooth. Whisk in the eggs, vanilla, maple extract, orange zest, cinnamon, and nutmeg. Gently pour the pumpkin mixture into the pan with the caramel so they don’t combine.

3. Place the pan in a roasting pan and fill the roasting pan with enough hot water to come halfway up the sides of the cake pan. Bake in the center of the oven for 70 -75 minutes, until the custard is just set. It will be firm but still jiggle slightly in the middle; a knife inserted into the center of the flan will come out clean. Remove the flan from the water bath, place on a cooling rack, and cool completely. Cover with plastic wrap and refrigerate for at least 3 hours.

4. Run a small knife around the edge of the flan. Turn a flat serving plate with a slight lip over the cake pan and flip them, turning the flan out onto the plate. The caramel should run out over the flan. Cut into wedges and serve with the caramel spooned over each slice.
