

BIN TALLY SHEET

In order to recycle, schools need the necessary infrastructure in classrooms and offices. If there aren't recycling bins next to trash bins, students and staff can't recycle. Use this *bin tally sheet* to take an inventory of the bins already at your school. This will help you assess the need for any additional bins - your first step in becoming a Recycling Champion!

Room Number/ Location	Teacher	Recycling Bins		Trash Bins	Comments/Notes
		Metal, Glass and Plastic	Paper		
Total:
