Recycling Rating Chart

Use this chart to assess classroom and office recycling in your school. Utilize the rating system at the bottom of the page to assign a point value to each room. In the comments section, add any information that could be useful – for example, if the room needs additional bins or signage, or is doing a great job recycling!

Room	Rating	Comments

RATING SYSTEM

1: No bins, no signs
2: Bins are more than 50% contaminated
3: Bins are less than 50% contaminated
4: Bins are less than 20% contaminated
5: Bins are less than 10% contaminated
