Organization Information

GrowNYC is a 50-year-old environmental nonprofit organization helping more than 3 million New Yorkers by providing essential services and taking action to make NYC a livable city, one where every person can enjoy a healthier, more sustainable life. GrowNYC Programs include:

- Our network of Greenmarkets, Farmstands, Fresh Food Box sites, and the work of GrowNYC Wholesale ensure that all New Yorkers have access to the freshest, healthiest local food.
- We blanket the five boroughs with resources like food scrap and clothing collections to make waste reduction, recycling, and composting easy for all.
- We build and support community and school gardens through volunteer days, technical assistance, training, grants and more.
- We provide 70,000 children each year with programs that provide meaningful interactions with the natural environment.

About GrowNYC Compost Program

Established in 2011, the GrowNYC Compost Program strives to make composting second nature for all New Yorkers by operating residential Food Scrap Drop-Off sites (FSDOs) and partnering with compost processing facilities to divert food scraps from landfills and make compost locally. Bouncing back from COVID-19-related impacts, the program will expand in FY22 from 16 currently-open FSDOs to at least 54 FSDOs by November 1st, 2021.

Compost Coordinator (part-time)

Compost Coordinators are responsible for collecting food scraps and conducting outreach each week at their assigned food scrap drop-off site(s). They promote food-scrap diversion for composting as an alternative to conventional waste disposal and educate NYC residents on a wide variety of waste reduction and landfill diversion topics.

Responsibilities (include, but are not limited to)

- Arrive at food scrap drop-off site 30 minutes before open hours begin to receive supply delivery
- Set up and prepare food scrap collection bins and signage

Applications
