Organization Information
GrowNYC is a 50-year-old environmental nonprofit organization - helping more than 3 million New Yorkers by providing essential services and taking action to make NYC a livable city, one where every person can enjoy a healthier, more sustainable life. In particular, our network of Greenmarkets, Farmstands, Fresh Food Box sites, and GrowNYC Wholesale ensures that all New Yorkers have access to the freshest, healthiest local food.

About Fresh Food Box
Fresh Food Box is a group buying program that allows participants to purchase mixed shares of seasonal, farm-fresh produce and pick them up at a community distribution point. The program allows customers to take advantage of the cost benefit of buying in a group and enjoy the flexibility of a weekly commitment while supporting farmers. GrowNYC operates Fresh Food Box sites in the Bronx, Brooklyn, Manhattan and Queens.

GrowNYC is committed to stopping the spread of Covid-19. We currently require all employees to disclose their vaccine status to us. We require daily health screenings and mandate mask-wearing indoor or other settings that make social distancing difficult, as well as masking for unvaccinated employees in all work settings. As the situation evolves, GrowNYC reserves the right to make changes to our health and safety practices and policies, including but not limited to requiring that staff vaccinate, test, and comply with local rules and applicable guidelines.

GrowNYC is implementing a mandatory COVID-19 vaccination policy. Effective immediately, all new hires must be able to provide proof of vaccination during the onboarding process.
