Stewed Rhubarb

This particular combination of stewed rhubarb over yogurt or ice cream will always remind me of spending long summer nights in England with my mom and grandma. With only 3 ingredients and less than 30 minutes of effort, this is one of my go-to summer crowd pleasers.”

The key ingredient missing here is the heat from the special binchotan charcoal that fuels all of the Yardbird grills, but I think this is a pretty close interpretation. These meatballs pair well with soups, salads, rice bowls, or simply skewered and enjoyed as a snack.”

- 1 tsp - Sesame oil

Scallion Oil:
- *Scallion, 1 c
- Canola oil, ½ c

Serve with:
- *Lettuce cups
- Scallion oil

*Ingredients available seasonally at your neighborhood Greenmarket
